

# THE ONLY VALET STAND WITH A 12 YEAR GUARANTEE !

## SUMMIT CLASSIC VALET

The Summit Classic Valet with the optional crescent parking barrier will provide class with versatility. At 49 pounds and tilt back wheels, the Classic Valet can be easily moved from storage. This valet will provide years of classic service for years to come.

With the polyethylene shell, the Classic Valet is ideal for outdoor use in any climate. Optional shell colors include: Beige Granite or Gray Granite, Bronze, Black . Options available are polyethylene parking barriers, built in full size umbrella, portable LED light, external or internal sound system, key storage, logo, ticket holder.

## SUMMIT MINI-VALET

The Summit Mini-Valet is designed for ultra-portability. Weighing just 28 pounds, the "Mini-Valet" can be easily moved by one person. If needed at a different valet location, this valet can be easily loaded in the back seat of most automobiles.

The heavy duty polyethylene shell (in optional colors of beige granite, gray granite, or bronze granite) is virtually damage proof. The Summit Mini-Valet will take years of abuse from the elements or employees.

Optional colors include: Beige Granite or Gray Granite, Bronze . Options available are polyethylene parking barriers, full size umbrella stand, portable LED light
